ABSTRACT

This author list contains all authors and institution names for LSC papers. Please check and send suggestions or corrections to Peter Saulson, LSC Spokesman (saulson@physics.syr.edu), copying the LIGO Laboratory Deputy Director Stan Whitcomb, (stan@ligo.caltech.edu).

1. Acknowledgement

The following paragraph should serve as a starting point for acknowledging the support LSC has received.

The authors gratefully acknowledge the support of the United States National Science Foundation for the construction and operation of the LIGO Laboratory and the Particle Physics and Astronomy Research Council of the United Kingdom, the Max-Planck-Society and the State of Niedersachsen/Germany for support of the construction and operation of the GEO600 detector. The authors also gratefully acknowledge the support of the research by these agencies and by the Australian Research Council, the Natural Sciences and Engineering Research Council of Canada, the Council of Scientific and Industrial Research of India, the Department of Science and Technology of India, the Spanish Ministerio de Educacion y Ciencia, The National Aeronautics and Space Administration, the John Simon Guggenheim Foundation, the Alexander von Humboldt Foundation, the Leverhulme Trust, the David and Lucile Packard Foundation, the Research Corporation, and the Alfred P. Sloan Foundation.
