

# LIGO Research Community

Robin T. Stebbins

JILA - University of Colorado

PAC 9 Meeting

LIGO - Livingston, LA

12 December 2000

## Past

- Formed as a community organization
- Not an organization of just researchers
- Tried to re-organize as an international organization
- Planned to re-organize around information service
- Gone dormant
  - Meeting difficulty
  - Suspended elections
  - No annual meeting in 2000
  - Membership list damaged

# Present

- Current membership ~400
- Jorge Pullin working on revising web pages
- Goals
  - Links to documents (e.g., popular book list)
  - Links to web sites relevant to gravitational wave research
  - Calendar
  - Job openings
- Education / public outreach (future)
